

Introducing ATKINSON signature plan

This 2,696 sq ft two storey home offers the best of an open concept great room, kitchen and dining area with the practicality of a walk through pantry and mudroom. Other features include the grand foyer and feature staircase that connects all three floors, a main floor study and an upstairs family room. Atkinson's master suite is luxuriously sized with a five piece bath and built in dressing room. The second floor laundry room is perfect to double as a craft room. Ample space on Atkinson's second floor mean it can easily fit four bedrooms. Atkinson can be built with either a double or triple car garage.

OUR SIGNATURE PLANS

Maison Design+Build has created a series of signature floor plans designed to inspire you.

Each of our plans feature the best of curb appeal, functionality and natural light. Our homes have been carefully planned with distinct entry, living and sleeping spaces, large kitchens and dining areas, beautiful sight lines, luxurious bathrooms, and utility zones that offer storage solutions for life's clutter.

We believe that every home should tell the story of the family that lives there. Our build starts with getting to know you and understanding your style. Choose one of our thoughtfully designed signature plans and personalize it by selecting your preferred layout and exterior. We'll incorporate best practices in energy efficiency and construction techniques, and help you select your interior features and finishes from a carefully edited menu to create a home that feels timeless and fresh.
